Starting the first weekend of Lent, a fourth EMCH will be scheduled at Masses. Father will give a small gold cup with low-gluten hosts (LG) to be distributed by the Tabernacle. At any Mass, 0, 1 or 2 people may approach you for a celiac Host. When the entire congregation has received Communion, go back up the steps to the altar, hand the cup directly to an ordinary minister. We must avoid cross-contamination by physically keeping the Hosts separate from the other consecrated Hosts.

After Easter, we will add 2 more EMHCs so the Precious Blood can be distributed. That would be 6 people in addition to the priest.

- 3 patens with Hosts
- 1 cup with low gluten Hosts
- 2 chalices
